

Conduct

One of the most specific characteristic of the ballet education is the manner in which the student conducts herself in the studio.

We recommend this conduct for a ballet class or any dance program.

Please follow the etiquette of ballet by being on time. Arrive with a minimum of 10 minutes before the class.

Wear appropriate clothing.

Please don't use body cream. Contact with the floor can make the area very slippery and can eventually cause injury for dancers.

Do not use excessive perfume or cologne as it might bother or cause allergies the other dancers.

No talking while the teacher is showing or explaining exercises or combinations.

No chewing gum during the classes.
