Conduct

One of the most specific characteristic of the ballet education is the conduct which is the manner that the student behaves in ballet classes, at the studio, towards the teachers and colleagues.

We recommend this conduct for a ballet class or any dance programs.

Please follow the etiquette of ballet by being on time with a minimum of 10 minutes before the class.

Wear appropriate clothing.

Please don't use body cream as in contact with the floor can make the area very sliding and can eventually cause injury for dancers.

Do not use excessive perfume or cologne as it might bother or cause allergies the other dancers.

No loud talking while the teacher is showing or explaining exercises or combination.

No chewing gum during the classes.
